*3. On page 48 et seq. of the Prospectus the following subsection shall be inserted before the
subsection entitled "Auditors":*

"Interim Financial Information

The published unaudited consolidated interim financial statements of the Volkswagen Bank for the first
half of the financial year 2020 are incorporated by reference in and form part of this Prospectus."

*4. On page 49 of the Prospectus the information in the section "Trend information" shall be deleted
and replaced by the following information:*

"Since the date of its last published audited consolidated financial statements as at 31 December 2019
a widespread public health issue, the COVID-19 pandemic ("**Corona Pandemic**"), has affected the
global economy, including Volkswagen Bank Group's business and has led to a material adverse
change of Volkswagen Bank Group's prospects. The effects of the Corona Pandemic are diverse.
Among other things, this may correlate with a deterioration of our customers' financial conditions and
could therefore have a material adverse impact on Volkswagen Bank Group's operating results and its
sales volumes. In addition, Volkswagen Bank Group might also face increased funding costs due to
lower levels of available liquidity in the overall market. With regard to Volkswagen Bank Group's
operations, outbreaks of disease could continue to result in increased government restrictions and
regulation, including quarantine of the employees. The potential financial effect of the pandemic on
Volkswagen Bank Group cannot be reliably estimated.

The diesel issue as well as other expenses or provisions in connection with diesel vehicles, including
but not limited to residual values of cars or a potential deterioration of the credit standing of dealers in
context to the challenging market situation arising from the current debate surrounding the use of
Diesel engines and the debate about the prohibition of the use of diesel vehicles may have a negative
impact on the future business and financial performance of Volkswagen Bank Group, the effect of
which remains uncertain.

An increased litigation and legal risks, including but not limited to the area of consumer credit law,
which would be reflected in corresponding provisions as well as geopolitical tensions and conflicts,
protectionist tendencies, turmoil in financial markets, structural deficits in individual countries as well as
uncertainties regarding future developments in the euro area, such as the uncertain impacts of the
United Kingdom's exit from the EU, may have a negative impact on the future business and the
financial performance of Volkswagen Bank Group.

Volkswagen Bank Group anticipates an increase in funding costs, greater levels of cooperation with the individual Group brands, continuing focus on digitalisation and cost optimisation under the efficiency program as well as a high degree of uncertainty regarding macroeconomic conditions in the real economy and the potential financial impact of the Corona Pandemic and their impact on factors such as rising risk costs and a fall in the volume of new contracts."

5. *On page 49 of the Prospectus the information in the section "Significant Change in the Financial Position" shall be deleted and replaced by the following information:*

"There has been no significant change in the financial position of Volkswagen Bank Group since the date of its last published unaudited consolidated interim financial statements as at 30 June 2020." However, the Corona Pandemic has a significant negative impact on the business, financial conditions and results of operations of Volkswagen Bank Group. The ultimate financial impact of the pandemic cannot be quantified at the current stage."

6. *On page 49 of the Prospectus the information in the section "Significant change in the Financial Performance" shall be deleted and replaced by the following information:*

"No significant change in the financial performance of Volkswagen Bank Group has occurred since the date of its last published unaudited consolidated half year financial statements as at 30 June 2020 to the date of the Prospectus. However, the Corona Pandemic has a significant negative impact on the business, financial condition and results of operations of Volkswagen Bank Group. The ultimate financial impact of the pandemic cannot be quantified at the current stage."

7. *On page 50 of the Prospectus the information in the section "Recent Developments" shall be deleted and replaced by the following information:*

"In December 2019, a novel strain of coronavirus ("COVID-19") was reported in Wuhan, China. The World Health Organization has declared COVID-19 to constitute a global pandemic. Governments worldwide have implemented measures to contain the spread of the virus. The effects of these measures cause a substantial adverse impact throughout society and across all areas of economic life and also affect Volkswagen Bank Group's operational and financial performance. The Group is continuously monitoring the situation and assessing the potential impact on its business. This includes, among other factors, levels of expected credit losses, volume of new sales and availability of funding. Due to the constantly evolving situation, a range of external factors remain that still have a material impact on Volkswagen Bank Group. While the range of potential factors cannot be accurately predicted, some potential factors include a significant downturn in economic activity in various countries, severe constraints on the movement of people and trade, significant disruptions to supply chains and other businesses, among other factors.

In 2017, the Italian Competition Authority initiated proceedings to investigate potential competition law infringements alleged agreements in restraint of competition (alleged exchange of competitively sensitive information) and abuse of dominant position by a number of captive automotive finance companies, including Volkswagen Bank. The proceedings were later extended to the relevant parent companies, including Volkswagen AG. On 10 October 2018, Volkswagen AG and Volkswagen Bank have received a statement of objections summarising the findings and describing the alleged infringement. On 9 January 2019, Volkswagen Bank and Volkswagen AG have been served an administrative order in connection with the ongoing antitrust proceedings of the Italian competition authority. The administrative order states that Volkswagen Bank is deemed to have violated competition law. Volkswagen Bank and its sole shareholder Volkswagen AG were therefore ordered to pay a fine of EUR 163 million. On 11 March 2019 Volkswagen Bank has appealed against the fine notice."
